**Rachel Carlson Associate Professor Physician Assistant Studies, Albert F. Simon Associate Professor and Chair, Bob McMullen : LANGE QA Physician Assistant Examination, Seventh Edition (Lange QA Allied Health)** before purchasing it in order to gage whether or not it would be worth my time, and all praised LANGE QA Physician Assistant Examination, Seventh Edition (Lange QA Allied Health):

4 of 4 people found the following review helpful. The questions themselves are super helpful, ranging from easy to quite challengingBy Beth Vogell had the older version to study from during PA school, but since this came out a few

months before my boards I decided to upgrade. The questions themselves are super helpful, ranging from easy to quite challenging...and always relevant. However, I gave it only 4 stars because some of the answers in the back are wrong! There were a few that I just couldn't understand why the answer would be what is listed and I took it to my professors and clinicians who all agreed there were mistakes. This can be very frustrating during such a stressful time. Hopefully they will come out with a new version soon to edit the incorrect answers.3 of 3 people found the following review helpful. The editor's work needs editingBy KristyI am about 50 % through the book and so frustrated with the errors. Every chapter so far has a couple, if not several, wrong answers-the letter choice does not match the description in the "Answers and Explanations" section. Makes it challenging to check my work, and I've completely lost confidence in what I am reading in this book. I've been doing this for nearly 20 years, and I'm embarrassed that this is the best work that these people can produce. Glad I have a back up9 of 10 people found the following review helpful. Plenty of good questions but not sure any effort was put forward ...By McNamee ErinPlenty of good questions but not sure any effort was put forward in editing. Multiple questions where answer didn't match up with multiple choice letter. Seriously, how hard is it to make sure they match. Hopefully no one is misled to incorrect answer because of this

The most complete question-and-answer review for the PANCE and PANREnow fully revised and updated Lange QA Physician Assistant Examination is filled with over 1,300 QAs that help you gear up for the PANCE and PANRE. All questions appear in the style you will see on the actual exam, and are accompanied by a detailed answer explanation and references. In addition, each question in this skill-sharpening guide is conveniently organized by organ system or specialty area to help you quickly zero in on areas of strength and weakness. A valuable opening chapter on test-taking skills and techniques provides score-boosting hints on how to best prepare for taking the exam. Also included with the book is access to one complete online practice test that simulates the test-taking experience. The content of Lange QA Physician Assistant Examination is reviewed by a team of PA students for accuracy and relevancy and is organized by organ system and specialty areas of practice. The seventh edition of this first-rate test-prep tool is thoroughly revised with 40% new QAs. The book is also redesigned in an eye-catching 2-color layout that enhances readability and review of the material. Taken together, Lange QA Physician Assistant Examination has everything you need to ace the PANCE and PANRE. More than 1,300 multiple choice questions with detailed answer explanations and references you will encounter on the national certification and recertification examsIncludes 40% new QAs, 25 additional illustrations and images, and full-color dermatology imagesProvides authoritative coverage of internal medicine and surgery subspecialtiesCompanion online practice test for the most thorough preparation possible
