Olive Peart : Lange Radiographic Positioning Flashcards before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lange Radiographic Positioning Flashcards:

A comprehensive, carry-anywhere review of routine imaging procedures, projections, and positioning terminology. Each two-sided card includes a high-quality photograph of correct patient positioning with details of the projection and the corresponding X-ray, technical information, and image evaluation criteria. Most cards include a high-resolution

radiographic image and photographs demonstrating each position/projection Great for use as a radiography procedures course review or as a clinical refresher prior to taking a patient's X-ray
