**Khara L. Pence Turnbull, Laura M. Justice : Language Development From Theory to Practice with Enhanced Pearson eText -- Access Card Package (3rd Edition) (What's New in Communication Sciences Disorders)**

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Language Development From Theory to Practice with Enhanced Pearson eText -- Access Card Package (3rd Edition) (What's New in Communication Sciences Disorders):

NOTE: Used books, rentals, and purchases made outside of Pearson If purchasing or renting from companies other than Pearson, the access codes for the Enhanced Pearson eText may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. This package includes the Enhanced Pearson eText and the bound book. *Language Development From Theory to Practice* provides a survey of key topics in language development, including research methods, theoretical perspectives, and major language milestones from birth to adolescence and beyond, and language diversity and language disorders. Each chapter bridges language development theory and practice by providing students with a theoretical and scientific foundation to the study of language development. The authors emphasize the relevance of the material to students current and future experiences in clinical, educational, and research settings; emphasize multicultural considerations and how they affect language development; focus on using evidence-based practices for making educational and clinical decisions; show the relevance of a multidisciplinary perspective on the theory and practice of language development; and include a number of outstanding pedagogical features to motivate and engage students. The new edition builds on the strengths of the earlier editions while featuring a chapter reorganization that promotes better understanding, more detailed coverage of topics of particular interest to students, expanded categorization of language-development theories, and a variety of helpful new pedagogical features. The Enhanced Pearson eText features embedded videos and assessments. Improve mastery and retention with the Enhanced Pearson eText\* The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is: Engaging. The new interactive, multimedia learning features were developed by the authors and other subject-matter experts to deepen and enrich the learning experience.

From the Back Cover Theory balances with practice in this survey of language development that emphasizes multicultural considerations, focuses on evidence-based practices, and uses a multidisciplinary perspective in a reader-friendly format. This text provides a survey of key topics in language development, including research methods, theoretical perspectives, and major language milestones from birth to adolescence and beyond, and language diversity and language disorders.
