Geraldine P. Wallach, Katharine G. Butler : Language Learning Disabilities in School-Age Children and Adolescents: Some Principles and Applications before purchasing it in order to gage whether or not it would be worth my time, and all praised Language Learning Disabilities in School-Age Children and Adolescents: Some Principles and Applications:

0 of 1 people found the following review helpful. revisitingBy Anne Murriet it has been good to revisit some great work in this field written by leaders in the area of language learning disabilities

Provides readers with strategies for facilitating language learning and literacy learning. Several themes are included: the meaning of academic learning and learning potential; the effect of oral and written language proficiency on

successful learning; and the "whys" and "hows" of delivering services to language- and learning-disabled students.
