Karen Judson, Sharon Blesie : Law and Ethics for Health Occupations before purchasing it in order to gage whether or not it would be worth my time, and all praised Law and Ethics for Health Occupations:

This one-semester text is intended for courses of study that prepare students to work in a medical office. All aspects of medical office employment are explored from new laws relevant to the medical office to the OSHA, DEA, and CDC requirements most important to medical office workers. The AAMA's DACUM Analysis was used as a guide for preparing each chapter.
