Anne M. Barker, Dori Taylor Sullivan, Michael J. Emery : Leadership Competencies for Clinical Managers: The Renaissance of Transformational Leadership before purchasing it in order to gage whether or not it would be worth my time, and all praised Leadership Competencies for Clinical Managers: The Renaissance of Transformational Leadership:

0 of 0 people found the following review helpful. Five StarsBy Dave SellersExcellent book, a must-read for all

Leaders!0 of 0 people found the following review helpful. Five StarsBy evelyn ortizVery good condition

This is a pragmatic, competency based, hands-on leadership text for nurse managers, that carefully integrates theory, research, and practice to address management issues in the inpatient and outpatient settings, community nursing and homecare, and skilled nursing facilities. Part I presents the Leadership Practice Model, Part II presents the application of the model to the role of clinical manager, and Part III presents real life models of leadership in practice.
