**Cathleen Krueger Wilson, Timothy Porter-O'Grady : Leading the Revolution in Health Care: Advancing Systems, Igniting Performance** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Leading the Revolution in Health Care: Advancing Systems, Igniting Performance:

Revised and expanded and with a catchier subtitle than its 1985 incarnation, this volume describes the paradigm shift the authors believe is occurring in the health care field and offers managers suggestions and ideas for improving their management skills in the new environment. Updates include upda
