Thomas A. Atchison, Joseph S. Bujak : Leading Transformational Change: The Physician-Executive Partnership before purchasing it in order to gage whether or not it would be worth my time, and all praised Leading Transformational Change: The Physician-Executive Partnership:

This book explores how physicians and executives can collaborate to improve performance. By focusing on strategies for building trust, this book will help you create an environment of mutual respect and understanding that will lead to organizational success. The authors address the differences between physicians and administrators, the reasons why collaboration efforts have failed in the past, and the importance of leadership style. The book presents a unique model for managing change that reconciles the business aspects of healthcare with the values at the heart of medicine.
