George D. Pozgar : Legal And Ethical Issues For Health Professionals before purchasing it in order to gauge whether or not it would be worth my time, and all praised Legal And Ethical Issues For Health Professionals:

0 of 0 people found the following review helpful. Great for my Legal Ethics Class! By Lexi169I purchased this book for my legal ethics class and it was great! I learned powerful insights to into the legal aspects of healthcare! This book easy to read and very insightful! Very informative! A must have for every health science course! 0 of 0 people found the following review helpful. Five Stars By PhilBook was required reading for school. 0 of 0 people found the following review helpful. It was a good book. However the whole thing could be summed ... By Susan Wayne This book was purchased as a text book for an Ethics class. It was a good book. However the whole thing could be summed up in be professional in all things. Do your best all the time. Respect people, admit honest mistakes and be fair to all. The book is easy to read and as a text book I am always grateful if they are not boring.
