**Adelle Davis : Let's Get Well: A Practical Guide to Renewed Health Through Nutrition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Let's Get Well: A Practical Guide to Renewed Health Through Nutrition:

0 of 0 people found the following review helpful. Fantastic BookBy R. TaberI have bought this book for years and given it away toAll my Children and to anyone interested. Bless Adelle Davis Shehas changed millions of lives for the better. And this book will literatelychange your life and health for the better. It does not matter that it is anold copy the information is still good and works. Buy her You Can get well afteryou read Eat Right and Get Fit. For that is what she suggested to be done.1 of 1 people found the following review helpful. Since studying therapeutic nutrition in the 60-70s I have always ...By Nancy Jean RoseSince studying therapeutic nutrition in the 60-70s I have always returned to Adelle Davis a the authoritative word in the appropriate nutritional therapy. NO ONE is as correct as she is. She always has the right answer.2 of 2 people found the following review helpful. Highly recommendedBy JoyHave used this book for years as a guide and have found it very useful indeed. When one is not well, use Adelle Davis to assist the body to heal itself and Caroline Myss and Neal D. Walsh to heal the spirit.
