From Brand: The Johns Hopkins University Press : Letters of Edward Jenner and other Documents Concerning the Early History of Vaccination (The Johns Hopkins Symposia in Comparative History) before purchasing it in order to gage whether or not it would be worth my time, and all praised Letters of Edward Jenner and other Documents Concerning the Early History of Vaccination (The Johns Hopkins Symposia in Comparative History):

Book by

"No biographer or historian could convey Jenner's feelings during this period of his life better than he does himself in these letters." -- Nature
