Rollin E. Becker : Life in Motion: The Osteopathic Vision of Rollin E. Becker, O.d. before purchasing it in order to gage whether or not it would be worth my time, and all praised Life in Motion: The Osteopathic Vision of Rollin E. Becker, O.d.:

Rollin Becker taught hundreds of students, over the course of 40 years, the approach to osteopathic manipulative treatment that gently prompts the patient's body to heal itself. This book lays out that approach and presents Becker's understanding of the nature of health and healing.
