**Robert K. Maloney MD : Life without Glasses: LASIK, Lens Implants Lens Exchange** before purchasing it in order to gage whether or not it would be worth my time, and all praised Life without Glasses: LASIK, Lens Implants Lens Exchange:

Nearly 3.6 million Americans have their vision surgically corrected annually; it is the most commonly performed

surgery in the nation. Even so, many people find themselves feeling anxious about the procedure. Author Robert K. Maloney is an experienced ophthalmologist who has performed thousands of vision correction surgeries. Not only is he an expert at performing these surgeries, he is a compassionate physician who understands the kinds of questions and concerns people have. In this book he covers LASIK and PRK surgeries, the differences between RLE and ICL, the implantable contact lens, refractive lens exchanges, how to choose a surgeon, and the newest vision correction surgery techniques.

About the Author Robert K. Maloney, MD, is founder and director of the UCLA Laser Refractive Center at the Jules Stein Eye Institute, and is director of the Maloney Vision Institute in Westwood, California. While a professor at UCLA, he trained more than 700 surgeons in the use of the excimer laser, and has personally performed more than 17,000 vision correction surgeries. The first surgeon to perform LASIK in western North America, he was voted one of Americas top vision correction specialists in a nationwide survey of eye surgeons conducted by Ophthalmology Times magazine, and is a coauthor of *Cataract Surgery: A Patients Guide to Cataract Treatment* and *LASIK: A Guide to Laser Vision Correction*. He lectures internationally and has appeared widely on national radio and television, including the ABC program *Extreme Makeovers*, NBCs *Extra*, ABCs *20/20* and *Prime Time Live*, PBSs *Life and Times*, and CNNs *The World Today*, and has been featured in numerous magazines and newspapers. He lives in Los Angeles.
