From LWW : Lippincott's Interactive Critical Care Library on CD-ROM before purchasing it in order to gage whether or not it would be worth my time, and all praised Lippincott's Interactive Critical Care Library on CD-ROM:

This electronic reference provides one-click access to the full text, images, and tables of three standard-setting critical care medicine texts: Irwin and Rippe's Intensive Care Medicine, Fifth Edition; Murray, Coursin, Pearl and Proughs Critical Care Medicine: Perioperative Management, Second Edition; and Marinos The ICU Book, Second Edition, plus Smyrnios, Irwin, Cerra and Rippe's Review of Intensive Care Medicine, Second Edition keyed to the current Fifth Edition of Irwin and Rippe's Intensive Care Medicine. The CD-ROM also includes De Jong and Karch's Lippincott's Critical Care Drug Guide, with hyperlinks from the texts to the drug information. The powerful search engine allows instantaneous cross-searching among all books. Other features include 30 minutes of videos hyperlinked to the texts and interactive self-testing software. Windows / Macintosh Compatible
