NCLEX-PN Lippincott'sBy The good studentThe content of this book is excellent. I wish that I would have bought it as the paperback instead of e-book, because my studying style is to reveiw each questions answer as I proceed. The e-book makes this difficult to do. As I said before the content is excellent and a must have for the NCLEX-PN.0 of 0 people found the following review helpful. One StarBy Jim LinowskiI don't know why I am getting this review
