Elizabeth A. Molle MS RN, Laura Southard Durham BS CMA, Connie West-Stack AAS (MLT) BS MEd CMA : Lippincott Williams and Wilkins' Administrative Medical Assisting before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lippincott Williams and Wilkins' Administrative Medical Assisting:

This text is designed to meet the needs of students in medical assisting who are studying the administrative portion of the curriculum, as well as students in transcription, coding, and related programs. This competency-based textbook provides a wealth of guidance for administrative skills. The text covers the "front office" topics: scheduling, billing, coding, bookkeeping, office management, and insurance issues. Helpful pedagogy, including Key Terms, a Glossary, and Critical Thinking Challenges familiarize students with the material and help with problem-solving. The ancillary

package includes an Instructors Resource Kit with an Instructors Manual and Resource CD-ROM, as well as a student study guide. Visit connection.LWW.com/go/molleadmin for more information.
