(author) Laura Southard Durham, (author) Denise Woodson (author) Judy Kronenberger : Lippincott Williams Wilkins' Comprehensive Medical Assisting (Hardback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised Lippincott Williams Wilkins' Comprehensive Medical Assisting (Hardback) - Common:

Suitable for every graduate who can quickly change their cap and gown for a set of scrubs and immediately be a member of the medical office. This title helps instructors lessen planning time, giving them more time with their students, through robust instructor resources including lesson plans, PowerPoints, and more.
