By Dr. Yuval Lirov This outstanding resource gives physicians and office administrators quantitative information needed to make informed decisions and set their practice on a sound fiscal foundation. In an easy-to-understand format, the book outlines 12 pragmatic actions you must take to bring more cash, to expedite turnaround from service to collection, lower bad debt expense, increase staff productivity, and enhance patient service. Each chapter ends with specific "To Do List." To accomplish desired results, do not just read this book - follow up and implement the "To Do Lists." Yuval Lirov, Practicing Profitability - Billing Network Effect for Revenue Cycle Control in Healthcare Clinics and Chiropractic Offices: Collections, Audit Risk, SOAP Notes, Scheduling, Care Plans, and Coding

The essential collections tool for your group practice executive, collections department or patient account manager. The fully revised workbook format provides policies, procedures and tips for improving cash flow in core collection areas. You'll find the new sections on the implications of managed care for cash flow and the monitoring of

managed care contracts extremely useful.
