Integrated Electronic Health Records: An Online Course and Worktext for Greenway Medical Technologies' PrimeSUITE. This hands-on course is offered as an online integrated EHR and practice management program through

McGraw-Hills Connect. Connect uses the latest technology to better connect professors to their students, and students to the information and customized resources they need to master a subject. It includes a variety of digital learning tools that enable professors to easily customize courses and allow students to learn and master content and succeed in the course. Here's what you can expect from the Worktext: -An introduction to Greenway Medical Technologies PrimeSUITE, an ONC-ATCB-Certified online EHR and practice management interoperable solution. The book covers the key topics for EHR including Meaningful Use Stage 2 and ICD-10, with simulated PrimeSUITE exercises in Connect as the vehicle to demonstrate those topics. Attention is paid to providing the why behind each task so that the reader can accumulate transferable skills. -Updated content that will be appealing to HIM programs, HIT programs, MIBC programs and more. All exercises are designated with PM, EHR, HIM tags, or some combination of those three. The second edition has additional simulated PrimeSUITE exercises, including Applying Your Skills exercises.

About the Author M. Beth Shanholtzer, MAEd, RHIA, FAHIMA, has been in the health information management field for 35 years. Her experience includes HIM department management positions within hospitals in New Jersey, Pennsylvania, West Virginia, and Maryland. She has been in academics for 20 years, and she is currently the program director and an assistant professor for an HIM associate degree program at Lord Fairfax Community College in Middletown, Virginia. She previously held positions as program director and instructor of associate degree programs at Kaplan University. She is an active AHIMA member, serving on the Council for Excellence in Education (CEE) board, and is currently chairperson of the Faculty Development Workgroup of the CEE. She also serves as a student mentor. On the state level, Beth has served as president, education chair, and legislative chair of the West Virginia Health Information Management Association. She has presented at the AHIMA annual convention, the Assembly on Education (AOE), and WWHIMA conferences. In recognition of her experience as a practitioner and her advancement of the field of health information, Beth has earned the distinction of Fellow of the American Health Information Management Association (FAHIMA). Beth has authored and co-authored the first and second editions of Integrated Electronic Health Records: A Worktext for Greenway Medical Technologies PrimeSUITE, published by McGraw-Hill Education. Beth lives in Martinsburg, West Virginia, with her husband; they have three children.
