Editors of Storey Publishing : Storey's Barn Guide to Horse Health Care + First Aid before purchasing it in order to gauge whether or not it would be worth my time, and all praised Storey's Barn Guide to Horse Health Care + First Aid:

4 of 4 people found the following review helpful. Information EVERY horse owner should have!! By Lane Brown I purchased this book along with Storey's Barn Guide to Horse Handling and Grooming. While Storey's Barn Guide to Horse Handling and Grooming is more of a beginner horse owner book, THIS book is something that EVERY horse owner should have!! There is so much helpful information in this book! From hoof care to how to give vaccinations to wound treatment, this little guide covers it all! AND it does it in a way that everyone can understand (you don't have to have any vet experience). I have used this guide extensively and I have only had it for about a month! You cannot go wrong by purchasing this book, I'll guarantee it! 0 of 0 people found the following review helpful. Very helpful reference book. By cairnpup Perfect go to reference for the barn. It even has a hole in it so it can be hung from a hook so it's always handy. Great pictures and descriptions for many horse ailments for the horse owner who isn't a vet or vet tech. Lots of help treating health problems in your horse. 1 of 1 people found the following review helpful. A must have. By K. Deems Full of basic care and then some. I find this book to be essential for anyone with a horse.

Keep your horse happy and well. In a hands-free format that allows you to hang the book on a nail for easy reference, Storey's Barn Guide to Horse Health Care First Aid covers both routine medical checks and protocols for crisis management. Full of clearly illustrated, step-by-step instructions that show you how to handle everything from regular dental checks to unexpected situations like choking, poisoning, and severe wounds, this guide will help you provide the care your horse needs.

From the Back Cover You want your horse to thrive, and you would like to handle as much of his health care as possible on your own. Now you can do just that with this sturdy, flip-open guide to all basic equine health procedures. Turn to the job you need, hang the book on a nail, and go to work. With highly visible illustrations and straightforward, step-by-step instructions, you're free to get on with the task at handkeeping your horse happy and well.
