Robert G. Glaser and Robert M. Traynor : Strategic Practice Management before purchasing it in order to gage whether or not it would be worth my time, and all praised Strategic Practice Management:

1 of 1 people found the following review helpful. Was good and extremely helpful!By Lynette EnochThe authors wrote the text in easy to understand laymen's terms. Good information and extremely helpful for the business audiology course that I'm taking. Thanks to the authors!!

Discusses strategic practice management in audiology. Topics include legal considerations, developing a pricing strategy for the practice, fiscal monitoring, referral source management, patient management, personnel management,

policy and procedures manual, and compensation strategies. For audiologists. DNLM: Practice Management, Medical-organization and administration.
