**Jack A. Gilbert, EdD, FACHE : Strengthening Ethical Wisdom: Tools for Transforming Your Health Care Organization** before purchasing it in order to gage whether or not it would be worth my time, and all praised Strengthening Ethical Wisdom: Tools for Transforming Your Health Care Organization:

0 of 1 people found the following review helpful. Very Very Great BookBy Naomi K. GilbertI learned a lot from this book. It was very well written and flowed through-out. I high recomend this to anyone who is looking to transform their buisness ethics!

A practical, research-based guide for strengthening workplace and personal ethics. Step-by-step explanations, case examples, and questionnaires help readers identify and manage the ethical drift to which health care management and staff can succumb under the daily pressure to do more with less. The guide provides diagnostic tools for achieving exceptional levels of organizational and personal integrity.
