**Nina Beaman, Lorretta Sue Tyler, Lorraine M. Papazian-Boyce, Janet M. Sesser, Ron Maly : Student Workbook for Pearson's Comprehensive Medical Assisting** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Student Workbook for Pearson's Comprehensive Medical Assisting:

1 of 1 people found the following review helpful. so they are completely unnecessary. By Katie Weaver Each chapter in this workbook is supposed to correspond exactly with the same chapter in the matching text. Only sometimes, it doesn't match up correctly and you have to spend extra time searching for the area in the book where you will find your answer. Also my specific instructor doesn't use the skills assessment pages from the workbook, they wrote up their own version, so they are completely unnecessary. 0 of 0 people found the following review helpful. Great seller and Good Product By Thembiluv Thank you for the expedited shipping. The book was received in excellent condition. There was no pages missing or written on. Not to mention the price was fair. Thanks Again!! 0 of 0 people found the following review helpful. Very disappointed. By Rachel A Brown There are so many pages missing through-out this

workbook. Very disappointed.

Never used.
