My book came with just the pretests with not chapters ...By FredaMy book came with just the pretests with not chapters to read and study from how can i answer the question without reading the chapter first basically stuck spending money on this book. why would i want studying book with no chapters to read of course i don't know the answer to do the pretest .0 of 0 people found the following review helpful. bummedBy ALionsDenI rented this textbook and it was missing a TON pages. I had to return it immediately. So bummed because I have 2 assignments due and I didn't have what I needed.0 of 0 people found the following review helpful. Five StarsBy Tiana45Great to help with clinical procedures

Master the content from your textbook with this helpful study tool! Corresponding to the chapters in *Clinical Procedures for Medical Assistants, 8th Edition*, by Kathy Bonewit-West, this study guide helps you understand and apply material with exercises, activities, checklists, review questions, and more. Chapter assignment sheets, study guide assignment sheets, and laboratory assignments make it easy to get organized and prepare for what's coming next. Pre-tests and posttests provide a quick assessment of your knowledge. Key term assessments with matching exercises help in mastering new vocabulary. Critical thinking activities utilize realistic situations to help you analyze and apply what you've learned with games, role-playing situations, fun crossword puzzles, and independent study questions. Evaluation of Learning questions let you assess your understanding, evaluate progress, and prepare for the certification examination. Practice for Competency sections offer extra practice on clinical skills presented in the book. Evaluation of Competency checklists evaluate your performance versus stated objectives and performance standards, updated with the new CAAHEP and ABHES standards. Video evaluation activities reinforce the procedures demonstrated on the textbook DVDs. Additional charting exercises let you practice documentation. Apply Your Knowledge questions ask you to think critically and quiz yourself on various aspects of the chapter. Practicum activities and worksheets help you learn how your practicum site functions.
