**Kathy Bonewit-West BS MEd : Study Guide for Clinical Procedures for Medical Assistants, 9e** before purchasing it in order to gage whether or not it would be worth my time, and all praised Study Guide for Clinical Procedures for Medical Assistants, 9e:

0 of 0 people found the following review helpful. Just what I NeededBy LauraIt came in perfectly wrapped and all the pages were there. That was all I needed. Great price too, considering I would have had to drop more than \$250 for the set at school!0 of 0 people found the following review helpful. Two thumbs upBy L. EngelFast delivery, perfect condition. Also I am now slightly intimidated to start classes in a couple weeks. This bad boy is HUGE. On a side note: in thumbing through the worksheets and intro it seems very modern and well put together. Efficient in it's style.0 of 0 people found the following review helpful. MA scoreBy GioIf your taking the medical assistant course and you are required to buy this book due it. Dont rent it you will probably have to write on it and it will be you best friend.

Master the content from your textbook with this helpful study tool! Corresponding to the chapters in *Clinical Procedures for Medical Assistants, 9th Edition*, by Kathy Bonewit-West, this study guide helps you understand and apply material with exercises, activities, checklists, review questions, and more. Assignment sheets at the beginning of each chapter indicate the upcoming textbook and study guide assignments, and make it easy to prepare for what's coming next. Critical thinking activities utilize realistic situations to help you analyze and apply what you've learned with games, role-playing situations, fun crossword puzzles, and independent study questions. Pre-tests and post-tests provide a quick assessment of your knowledge prior to and after you study each chapter. Key term exercises and assessments help in mastering new vocabulary. Evaluation of Learning questions let you assess your understanding, evaluate your progress, and prepare for the certification examination. Practice for Competency sections include checklist worksheets to use in practicing clinical skills. Evaluation of Competency checklists evaluate your performance versus stated objectives and performance standards, and include CAAHEP and ABHES standards. Video evaluation activities include true/false questions relating to the procedural videos shown on the Evolve companion website. UPDATED content corresponds with the changes in the *Clinical Procedures for Medical Assistants, 9th Edition* text. NEW Evaluation of Competency checklists allow you to practice the new procedures described in the textbook. NEW! Practicum activities on the Evolve companion website include worksheets and help you learn how your externship works.
