Kenneth A. Wyka, Paul J. Mathews, John Rutkowski : Studyware for Wyka/Mathews/Rutkowski's Foundations of Respiratory Care, 2nd before purchasing it in order to gage whether or not it would be worth my time, and all praised Studyware for Wyka/Mathews/Rutkowski's Foundations of Respiratory Care, 2nd:

About the AuthorKenneth A. Wyka, MS, RRT has been in the field of respiratory care since 1970. He obtained his bachelor's and master's degrees from Fairleigh Dickinson University in Teaneck, New Jersey and formal training in respiratory care from the Lenox Hill Hospital School for Respiratory Therapy in New York City. In 1972, he founded the respiratory therapy program at Pasaic County Community College in Paterson, New Jersey. Since then, he

managed the respiratory care department at Valley Hospital in Ridgewood, New Jersey, was the director of respiratory clinical education at the University of Medicine Dentistry of New Jersey, started several pulmonary rehabilitation programs, worked in home care, and began a respiratory care consulting practice. He is the author of *Respiratory Care in Alternative Sites* and has been actively involved in several voluntary health and professional organizations. Currently, he is the Director of Marketing for Allied Health Care Services in Orange, New Jersey, and is an adjunct professor at Montclair State University in Upper Montclair, New Jersey. Paul J. Mathews PhD, RRT, FCCM, FCCP, FAARC is Associate Professor of Respiratory Care, School of Allied Health; Associate Professor in Physical Therapy; and Adjunct Associate Professor at the Center on Aging, University of Kansas. He received his respiratory therapy training at Yale-New Haven Medical Center in New Haven, Connecticut. He holds his undergraduate degree from Quinnipiac College, Hamden, Connecticut; a Master of Public Administration degree from the University of Hartford in Connecticut; and EdS and PhD degrees from the University of Missouri in Kansas City, Missouri. He has published more than 160 articles in various national journals, has authored several books, serves on six editorial boards, and has lectured at many national and international meetings. In 1989, Dr. Mathews was president of the AARC, and, in 1990, he was selected for AARC Life Membership. He is also a Fellow of the American College of Critical Care Medicine and of the American College of Chest Physicians. Currently, he is a member of the New York Academy of Sciences and is listed in *Who's Who in America* and *Who's Who in the World*. A. Rutkowski is an Associate Professor at the University of Medicine and Dentistry of New Jersey?School of Health Related Professions in Newark, New Jersey. In addition to clinical experience providing Respiratory Care he has held management positions at a number of health care facilities in New Jersey and has served as a faculty member at several colleges and universities in New Jersey. He joined the faculty of the University of Medicine and Dentistry-School of Health Related Professions, Newark, New Jersey as an Assistant Professor and Director of Clinical Education for the Respiratory Care Program in 2003. He continues to be active in a number of professional associations including the American Association for Respiratory Care and its New Jersey affiliate. He has authored professional articles and book chapters, and has been invited to present on many topics of interest to respiratory therapy and other allied health professionals. Mr. Rutkowski holds an Associate of Science Degree, a Bachelor of Science Degree, a Master's Degree in Public Health, a Master's Degree in Business Administration, is a Registered Respiratory Therapist (RRT), and an active member and Fellow of the American College of Healthcare Executives (FACHE).
