Diana Dugan RN : Successful Nursing Assistant Care before purchasing it in order to gage whether or not it would be worth my time, and all praised Successful Nursing Assistant Care:

0 of 0 people found the following review helpful. Five StarsBy Diamond MoorheadThanks.1 of 1 people found the following review helpful. A decent course bookBy Collin PeeblesNot a bad textbook despite a few mistakes I've found. (e.g. book lists two types of infectious disease: communicable and noncommunicable...wrong) Overall though, the content is informative and includes plenty of photos that demonstrate proper care method, clean technique, and so on. Word of advice: skip the matching workbook. It's absolutely worthless.0 of 0 people found the following review helpful. Four StarsBy Happy68Book came in great shape.

A student-friendly text, the second edition of Successful Nursing Assistant Care by Diana Dugan, RN is a comprehensive textbook to train nursing assistants that teaches all state, federal, and safety requirements. It is

beautifully illustrated and clearly photographed with color tabs for easy location of material. This book emphasizes safety, privacy, and respect before and after providing care. Care guidelines are colored for easy reference, and ways to promote residents right's are emphasized. This book contains updated information on HIPAA and CDC guidelines for infection control. Organized around learning objectives, it contains creative methods to teach care and related observations, ways to promote independence, essential information on preventing abuse and neglect, and chapter-ending material which develops critical thinking, as well as tests the chapter. This textbook reflects author Diana Dugan's 15 years of experience teaching nursing assistants in community colleges, proprietary schools, and long-term care facilities.

About the AuthorHartman Publishing began offering in-service education programs to long-term care facilities and home health agencies in 1994. Students and teachers using our materials benefit from a company focused solely on educating and inspiring caregivers.
