The history of medicine in Central New York has national and international as well as local and regional importance. Elizabeth Blackwell, the world's first woman physician to earn her M.D. by completing the regular course of

study at an accredited medical school received that degree in Central New York. Alumni and faculty of SUNY Upstate Medical University and its predecessor institutions have achieved greatness that has enriched medicine and society around the world since 1834. This book tells their stories.

"... a treasure trove of information - and a treasure." --Thomas S. Szasz, M.D., internationally renowned psychiatrist and philosopher of medicine
From the Publisher
SUNY Upstate Medical University: A Pictorial History is a sturdy, Smyth-sewn paperback, 9 1/2 by 6 1/2 inches, viii + 184 pages, copiously illustrated with photos, drawings, and documents from the Upstate Archives and other sources in Upstate's Special Collections Vault. Loaded with facts, fully indexed, and handsomely designed, it will be an accurate, valuable, and easy to use reference tool for the history of Geneva Medical College, Syracuse University College of Medicine, and Upstate Medical University for years to come.
