**Tammy Allhoff, Debbie Hinton : Surgical Mayo Setups, Spiral bound Version** before purchasing it in order to gage whether or not it would be worth my time, and all praised Surgical Mayo Setups, Spiral bound Version:

Whether you're an experienced surgical technologist,or operating room personnel or just starting out in the field,

**SURGICAL MAYO SETUPS**, 2nd Edition is the reliable, detailed resource you need for success in any operating room! Newly revised with more than 130 Mayo-stand and back-table setups, this handy pocket reference is smartly organized with tabs according to surgical specialty, which helps you find the right set-up quickly and easily. A new introductory section on setup methods provides variations and photos for reference depending on specialty, procedure, facility, OR layout and personal preference. Each of the 12 surgery sections includes a brief overview, key considerations, and an alphabetical procedure list, along with a detailed guide to the instruments and equipment required for the procedure. Selected illustrations throughout the guide show the general Mayo-stand and back-table setup for more complicated procedures--to increase your confidence as your experience grows.
