## Back Table, Mayo Stand and Ring Basin Set Ups (Surgical Technology Skills Procedure DVD Series):

This dynamic DVD series takes an approach that lends itself to interactivity in the classroom as learners are asked to participate in the presentation by using critical thinking to determine what things they observed were performed "incorrectly." Clear, easy to follow demonstrations of each of the skills are included along with helpful tips and insight provided by professionals working in the field. Testimonials, animations, and cutting edge music and graphics will also engage the learners.
