Knut Schroeder, Trevor Thompson, Kathleen Frith, David Pencheon : Sustainable Healthcare before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sustainable Healthcare:

0 of 0 people found the following review helpful. valuable book By nancy magoon interesting book.

Sustainable Healthcare sets out a vision for medical care of high quality, manageable cost and low impact on the

planetary systems which sustain us. In tackling the major challenges of our age, such as resource depletion, loss of biodiversity and climate change, health services can play a central role, moving from being part of the problem to becoming part of the solution. Sustainable Healthcare explores questions such as: What is the relevance of sustainability in healthcare?
