Rebecca Pieknik CST MS : Suture and Surgical Hemostasis - Elsevier eBook on VitalSource (Retail Access Card): A Pocket Guide, 1e before purchasing it in order to gauge whether or not it would be worth my time, and all praised Suture and Surgical Hemostasis - Elsevier eBook on VitalSource (Retail Access Card): A Pocket Guide, 1e:

Small, spiral-bound format offers easy access in any clinical setting. Descriptions of suture knots and step-by-step images of different types of stitches provide excellent instruction and are great for review. Over 200 full-color illustrations with brief descriptions help readers clearly identify suture materials appropriate for specific surgical procedures. A discussion of hemostasis is provided to give readers a full understanding of wounds and wound healing and when and why certain types of suture material should be used. Summary-at-a-glance charts and tables synthesize category descriptions and key information for quick reference. Key terms, abbreviations, and definitions are provided as a quick-reference glossary.
