William "Marty" Martin, Phillip Hemphill : Taming Disruptive Behavior before purchasing it in order to gauge whether or not it would be worth my time, and all praised Taming Disruptive Behavior:

0 of 0 people found the following review helpful. A must read for anyone in Healthcare LeadershipBy Charlene GreeneI had the privilege of 18 hours of education by the primary author of this book. Marty has a way of "chunking up" (as he likes to say) the process of dealing with disruptive behavior in the workplace. Valuable in both the financial and personal aspects of medicine.0 of 0 people found the following review helpful. Five StarsBy Carlos Alvarado-
