I recommend this book to all my NP colleagues who just need a quick fast reference.0 of 0

people found the following review helpful. Five StarsBy Steven TurbinerAlways an informative pocket guide.

The newly updated Tarascon Adult Emergency Pocketbook, Fifth Edition is designed as the ultimate portable reference for the busy emergency physician or internist. This concise, organized pocket guide is packed with essential lists, figures, tables providing instant reminders of hard-to-remember yet vitally important clinical information. The Tarascon Adult Emergency Pocketbook, Fifth Edition is meticulously referenced and provides expert commentary on current academic controversies within the field. Convenient reference sections include dysrhythmia protocols, emergency drug infusions, antibiotic therapy, rapid-sequence intubation, toxicology, trauma care, burn care, and much more.
