CustomerI ordered the wrong item and had already bought this book from a speech/language conference, It's OK, but the 2nd edition is MUCH better--easier to read and find the info I'm looking for.0 of 0 people found the following review helpful. Five StarsBy EllieBellieI love having this guide to reference when using the Hodson approach0 of 1 people found the following review helpful. Four StarsBy CustomerBrand new!

This edition of Targeting Intelligible Speech provides updated, practical guidelines for efficient assessment, analysis, and remediation of unintelligible speech patterns. Drawing on 15 years of clinical research with more than 200 clients, the authors carefully explain the cycles approach, which is based on developmental phonology research findings and cognitive psychology principles.
