Jo Manion, William Lorimer, William J. Leander : Team-Based Health Care Organizations: Blueprint for Success before purchasing it in order to gauge whether or not it would be worth my time, and all praised Team-Based Health Care Organizations: Blueprint for Success:

Team-Based Health Care Organizations: Blueprint for Success focuses on the unique challenges confronting health care organizations in the midst of coming to terms with the changing delivery system. Case studies and examples of self-directed team structures reflect actual approaches used by pioneering organizations to successfully transform their cultures and work forces. The book provides tips, tools, and techniques drawn from the authors' experiences helping members of the health care community achieve these major transformations.
