**Dr. Roger Bowles : TechCareers: Biomedical Equipment Technicians (Techcareers)** before purchasing it in order to gage whether or not it would be worth my time, and all praised TechCareers: Biomedical Equipment Technicians (Techcareers):

The outlook is very bright for biomedical equipment technicians, with entry level salaries in 2007 typically ranging from \$32,000 to \$42,000 annually. According to both the Occupational Outlook Handbook and professional recruiters,

demand for individuals in this field will remain strong. Features include: detailed information on career pathways, skill sets and educational requirements; profiles of BET technicians in the field, employers, current students and instructors; and program listings, sample degree plans and additional industry resources.

About the Author Dr. Roger Bowles is chair of the Biomedical Equipment Technician program at Texas State Technical College Waco.
