Great BookBy RTrustyI loved this book. I just returned from a trip to Cambodia to become more aware of the problem of human trafficking and this book was so helpful and informative and also challenging as to the reality of a situation I had never thought about before and what International Justice Mission is doing about it and what I need to be doing about it. It was easy to read and inspiring, I have used some of it in my Sunday School class to inspire the kids to be modern day heroes like these guys. Well worth buying and sharing.

If you're tired of living an anemic life and you want to live courageously, get this book. *Terrify No More* is a suspenseful read that will introduce you to the new heroes of the faith—people who are willing to take risks to bring hope and freedom to those who need it most. Rick Warren, Author, *The Purpose Driven Life* Senior Pastor, Saddleback Church Producer Richard Greenberg showed me some truly alarming videotape he'd obtained from a human rights group called the International Justice Mission That tape would trigger one of the most extensive international searches I'd ever been involved with as a Dateline Correspondent. Chris Hansen, NBC News Correspondent Now we have a gripping, close-up account of how IJM carries out its mission in Cambodia. Gary Haugen's book should awaken many to what goes on in the 21st century slave trade. Ambassador John R. Miller, Director, Office to Monitor and Combat Trafficking in Persons Out of shocking depravity emerges a story of hope. In a small village outside Phnom Penh, children as young as five are bought and sold as sex slaves. Day after day their abuse continues, and their hope slips away. In *Terrify No More* an international team of investigators goes undercover to infiltrate this ring of brothels and gather evidence needed to free these girls. Meanwhile, skilled legal minds race the clock, working at the highest levels of U.S. and foreign governments to bring the perpetrators to justice. Headed up by former U.N. war-crimes investigator, Gary Haugen, the team perseveres against impossible obstacles—police corruption, death threats, and mission-thwarting tip-offs—in a mission focused on bringing freedom to the victims.

From Publishers WeeklyHaugen, president of the Christian humanitarian organization International Justice Mission, peoples this account of IJM's efforts to rescue young girls from forced prostitution in Svay Pak, Cambodia, with larger-than-life heroes and villains. Written with the aid of communications consultant Hunter, the story, played for all its terrible drama, tells of girls sold into sex slavery by their families or tricked into it by the promise of legitimate work. IJM members, posing as customers, infiltrated the brothels, interviewed the girls and later staged successful rescue operations. Haugen credits the success of his work to God ("I believe we all yearn for the joy that arrives... when we find our own active place in the struggle against evil and discover the transforming power of life the Divine has granted to mere mortals") and shrugs off doubters ("Some Christians are uncomfortable with the idea that God has been in a dark, repulsive brothel.... Our investigators are not only comfortable with the idea it's a truth they count on"). Haugen describes other IJM victories, including a raid on a South Asia brick kiln that relies on slave labor, but the focus is on the sex trade and the palpable zeal with which IJM fights it.
