You have to look all over the internet and in medical books you might have. Very strange in my mind...0 of 0 people found the following review helpful. The Big TestBy sgh628I really love this book. It helped me with my class, Medical Transcription 2, and It is going to help me pass my test, when I take it.0 of 1 people found the following review helpful. A gift for a studentBy Buffalo ladyThis was a gift for a student who loved it. She is happy with the condition and good price under what she would have paidl
