**Fisher Howe : The Board Member's Guide to Fund Raising** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Board Member's Guide to Fund Raising:

0 of 0 people found the following review helpful. A Must Have for Every NonProfit Board Member or Manager's Library By pjbarne Although this book was written in the 1990's, it is still the most profound work about the board member's responsibility in organizational fundraising and governance. Of course, our methods of management have

grown since this work was introduced to the nonprofit community, but *The Board Member's Guide to Fund Raising* remains that work which teaches us how to build and develop governance. It teaches leaders their roles and responsibilities to the people and organization they represent and serve. And, just as importantly, it helps the board and organizational manager create those lines of accountability from daily management to governance. Yes, it is still a must have for the nonprofit manager and board member. 0 of 0 people found the following review helpful. As promised By Robert D. Van Winter, Jr. This was my first time purchasing a used book and it was in excellent condition as promised. I am completely satisfied. 1 of 1 people found the following review helpful. A must have By Anthony Englert Book was recommended to me at an AFP seminar and it is great. A must have for Foundation professionals looking to create a board.

A Publication of the National Center for Nonprofit Boards A concise yet comprehensive resource for the entire fund raising process. Shows why board members must take the lead in fund raising efforts, and show how this role can be personally satisfying.
