David Chapman-Smith : The Chiropractic Profession before purchasing it in order to gage whether or not it would be worth my time, and all praised The Chiropractic Profession:

0 of 0 people found the following review helpful. Just in timeBy federico villafaneThe book arrived just before I left on a trip which I needed to take with me! Book was in very good shape even though its 12 years old.

The Chiropractic Profession makes it easy to understand essential procedures and provides a rationale for their use. It describes the basic principles needed to evaluate, select, and apply specific adjustive procedures. With a review of chiropractic history, detailed descriptions of joint examination and adjustive techniques for the spine, pelvis, and extremities.
