From Springer : **The Clubfoot: The Present and a View of the Future** before purchasing it in order to gage whether or not it would be worth my time, and all praised **The Clubfoot: The Present and a View of the Future:**

The Clubfoot: The Present and a View of the Future is a monumental source book of far greater magnitude and scope than has been written on this subject. This volume is a superb tool for pediatric orthopedists specializing in foot and ankle surgery who want to advance their knowledge of research, clinical management, and operative techniques in

patients with clubfeet.
