Mary Mahoney, Lauren Mitchell : The Doulas: Radical Care for Pregnant People before purchasing it in order to gage whether or not it would be worth my time, and all praised The Doulas: Radical Care for Pregnant People:

1 of 1 people found the following review helpful. This book is a great collection of perspectives from different doulas who have worked ...By CustomerThis book is a great collection of perspectives from different doulas who have worked with women of all backgrounds. The stories of their patients are interspersed with the personal reflections of the doulas. I would recommend it to anyone interested in reproductive rights or becoming a doula or midwife.

As more feminism migrates online, full-spectrum doulas remain focused on lives physically intimate relationships: between caregivers and patients, parents and pregnancy, individuals and their own bodies. They are committed to supporting a pregnancy no matter the outcome whether it results in birth, abortion, miscarriage, or adoption and to facing the question of choice head-on.

"Eye-opening Throughout, the authors' stories are vivid, absorbing, and informative. A gripping chronicle that will be especially useful for expectant or aspirational mothers. Kirkus
