Philip Jacobs : The Economics of Health and Medical Care before purchasing it in order to gage whether or not it would be worth my time, and all praised The Economics of Health and Medical Care:

0 of 0 people found the following review helpful. Five StarsBy MoThe price was phenomenal!0 of 0 people found the following review helpful. The Economics of Health and Medical CareBy cynthia BarnesGreat Book. Would recommend to all. Great Price!!! Loved it!! Thank You. Easy to read and also easy to understand. Thanks. Arrived in a timely fashion.1 of 1 people found the following review helpful. Good ReadBy Maggie D.I really liked this book. Good information. the subject matter was well represented and it was very easy to follow.

This newly updated and expanded edition strikes the necessary balance of population-based health economics and the more traditional, market-oriented approach to health care economics.
