Donald J. Meyer, Editor : The Economics of Health before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Economics of Health:

Donald J. Meyer leads a group of notable health economists who explore critical issues and their economic impacts facing the nation's healthcare system today. These include lifestyle choices and their health impacts, decisions on

medical care and self-care, the fee-for-service payment model, disability and workers compensation insurance claims, long-term care, and how various aspects of the Patient Protection and Affordable Care Act (ACA) impact the nation's healthcare system.
